Subject: (E13611) Exxon Pipeline Mayflower Oil Spill - Update
Date: Monday, April 22, 2013 9:35:50 AM

22 homes continue to be evacuated. Estimated three weeks until any re entry of those homes will take place.

A guided press tour was held Saturday. Two print and two television media outlets participated.

U.S. Representatives Griffin (AR) and Shuster (PA) toured the site yesterday.

Repairs have been made to the pipeline but Exxon has not put pipeline back into service.

Outdoor ambient air monitoring continues with fixed and roaming air monitoring; no significant readings have been detected.

445 personnel are responding to incident.
